

Bleed

Trim

Safe Zone

Landscape Business Card 85mm x 55mm

This is the safe Zone. All text and major detail should be within this blue box.

We would advice that no text should be smaller than 7pt

The trim shows the cut line of the card

Bleed - all artwork needs to include a 3mm bleed

Please use this template to create your Print-tastic Business Cards

*Please note; this template is suitable for double and single sided business cards
