

# Rollup Banner

800mm x 2200mm

**This is the safe Zone.** All text and major detail should be within this blue box.

The trim shows the cut line of the card

**No Bleed is required for Rollup Banners**

**Please use this template to create  
your Print-tastic Rollup Banners**

## Area not visible

This section of the Rollup Banner will be in the cassette. Artwork should still bleed into the area to fill the page, but no important information will be seen here.
